General Terms

Prices as on the date of invoice will be charged and prices are subject to change without prior notice.

The discount structure to be followed would be the same as earlier and applicable taxes will be charged additionally, as applicable.

The company, at its discretion, may compensate for the breakages that occur in transit, after evaluation of the claims made. Breakages and damages that occur at the Dealer s shop or site will be to the dealer s/purchaser s account.

The prices contained herein are applicable for dispatch by road transport from the company s depot.

For dispatch by any other mode of transport, the difference in freight charges and packing charges will be to the dealer s/ purchaser s account.

The Company reserves the right to collect advance against order(s).

The dealer/purchaser placing an order or accepting goods, agrees to comply with the provisions of the GST. In the event of the Company becoming liable for payment of any tax, interest, or penalty, on account of error/ omission/delay/failure by the dealer/purchaser in complying with the provisions of the GST, the Company shall recover such amount along with interest and penalty forthwith.

The Company, at its sole discretion, will decide not to service orders to a dealer, in case of payment defaults.

By placing an order or accepting the goods, the dealer/purchaser agrees to the terms and conditions mentioned herein.

The Maximum Retail Prices (MRP) of all the products are subject to change.

The seller is at liberty to sell the products at prices lower than those indicated in the Price List.

The prices charged by the seller for any product shall not exceed the Maximum Retail Price declared on the packaging.

The seller shall ensure that the MRP is clearly visible on the box and is not obliterated/hidden by placing any other sticker/label etc, on the MRP and other statutory declarations, appearing on the packaging.

In case of any dispute, the same is subject to the exclusive jurisdiction of Courts in Mumbai.

This cancels all the earlier price lists, and is effective for all sales made from the below mentioned dates.

18% GST applicable on all the products.

Warranty Terms and Conditions:

1. The warranty period is not renewed or extended on supply of spare parts during the warranty. The Company will, at its sole discretion, repair or replace any defective component or part of product with or without cost.
2. The warranty shall commence on the date when the consumer telephonically lodges his warranty with the Company by contacting 1800-266-2079 or visiting the website bathsense.asianpaints.com and furnishing all the purchase and personal details requested by the Company ("the Commencement Date"), within 15 days of purchase.
3. The Company or its Authorized Service Franchisee solely can service/repair the product.
4. The warranty becomes null and void if installation is not done by a qualified and experienced technician and/or as per the installation procedure laid down by the Company.
5. Hoses, rubber parts, plastic parts and consumables are not included in warranty. In case of defects on such products arising prior to installation, the company will decide on repair/replacement after inspection.
6. This warranty is only effective if proof of purchase (original sales receipt) is provided with all warranty claims or requests.
7. Warranty will cover only manufacturing defects of the product and will not cover any defects arising out of the control of the Company, like insufficient water pressure, high water impurities/hardness, breakage of parts due to excessive force etc. In no event shall the liability of the Company exceed the purchase price of the product. Improper care and cleaning will void the warranty.
8. For optimum bathing experience, maintain a minimum water pressure of 1 bar (10 psi) and maximum of 5 bar (50 psi). In case of lower/higher pressure, use of external pressure pumps or pressure reduction valves respectively is recommended.
9. Do not use cleaners/detergent agents which contain chemicals/bleach/acid etc. Most of the toilet cleaning products have high acidic content, which may damage the product surface/finish.
10. For ABS products such as health faucets and concealed cistern, the surface coating warranty for brushed finish will be 1 year*

Maintenance, Installation & Service Guidelines:

1. The protective coating prevents the accumulation of water droplets, makes the product easy to clean and eliminates the need for abrasive cleaners.
2. Clean the surface using only a soft sponge. Cleaning pads labeled as "Safe for non-stick products" are recommended.
3. DO NOT use abrasives/scrubs/coarse cloth/scouring agents to clean. Use of the same can damage the coating and will make the warranty void.
4. DO NOT use bleach/acids/toilet cleaning agents on the product. Use of the same can result in fading of the colour and will make the warranty void.
5. Warranty is valid under normal. operating conditions of water quality with below limiting values: TDS<=1000 mg/L , Hardness<= 375 mg/L.
6. It is recommended to wipe the product dry using a soft cloth immediately after cleaning with water, to maintain the colour.
7. The handle can be opened using the allen key provided with the product; DO NOT use sharp tools like a spanner or hammer on the colour-coated surfaces of the product.
8. Installation to be done by a professional as per above instructions. Dismantling and service of the product post-installation should be done.
