    - Warranty does not cover defects or damage caused by use of acids, abrasives, improper cleaning and lack of maintenance, mechanical damage caused during installation or usage, and scratches/dents caused by normal wear and tear
    - Sink body comes with protective lamination on top surface, to be peeled off before use only after any construction work is completed
4. Upper Parts of Concealed Bodies: Warranty shall be void if Upper parts are not installed with the concealed body of the same make.
5. Ceramics and Flush fittings: Warranty will not cover below
  - Colour fading due to cleaning with chemicals other than recommended cleaning agents like Vioprotek or equivalent reputed brands
  - Problems arising in push buttons due to use of harsh cleaning agents (only soap water with dry cloth to be used for cleaning)
  - Problems arising due to use of Cleaning agents on Plastic parts like seat covers
  - Problems arising due to debris and other impurities present in the water, above the specified limits of TSS as above
  - Inadequate Flushing in case of Siphonic closets if the length of the outlet connection pipe is higher than 6 meters
  - Flush valve if used along with rimless wall hungs, this can lead to Splashing issues and will not be covered under warranty

6. Pressure Reducer is recommended for usage in the line when installing cisterns and flushing systems to limit the pressure to the specified conditions as above.
7. **Seat Covers:**
  - Problems occurring in hydraulic function, hinges etc. on account of jets installed and application of force for closing in case of soft-close seat covers not covered under warranty.
  - Seat covers should be cleaned only with mild soap and water. Cleaning agents recommended for use of cleaning ceramics and tiles are not suitable for seat covers and can result in damage of the surface.
  - Colour fading due to use of cleaning agents on Seat Covers not covered under warranty.

3. Hoses, rubber parts and plastic parts including those in spindles and cartridges are not covered under warranty.
4. In case of Sinks, Waste/Drain coupling (consisting of ABS components) and Rubber parts are not covered under warranty.

## Terms and Conditions

1. The warranty shall commence from the date of purchase as per invoice. The customer needs to register the warranty with the Company either by contacting its Toll-free Helpline Number 1800-266-2079 or by logging into the website [bathsense.asianpaints.com](https://bathsense.asianpaints.com) and furnishing all the purchase and personal details as requested by the Company. Alternatively, please contact the dealer from where the purchase has been made, to register the warranty. For the warranty to be valid, its registration needs to be done within 15 (fifteen) days from the date of the purchase of the product.
2. This warranty will be effective only if the proof of purchase (i.e. original GST invoice/receipt) and /or Warranty registration document is provided with all warranty claims or requests.
3. **CLAIMS AND REPAIRS**
  - a. For the purpose of claiming warranty, customer will have to share the registered warranty number or proof of purchase and in absence of the same the company will not be held liable for any warranty claim.
  - b. Customer shall forthwith notify the Company of the claim providing full details thereof and shall set out the basis on which it believes that the company is liable in terms of the warranty. Company shall appoint authorized personnel to visit the site and assess whether the issue / product falls within the purview of the warranty. The warranty shall be void in case the customer or any third party other than the authorized personnel performs any repairs to or removes or otherwise tampers with any product, prior to such visit by the authorized personnel
4. After the Warranty period has lapsed, both the Product & Spare cost and Service Cost will be payable by the consumer
5. The company shall make its best endeavor to provide onsite warranty services but due to unavoidable/exceptional circumstances the product may be required for offsite inspection at Company's service center/Service Centre of company's authorized service associate.
6. The Company and its Authorized Service Franchisee will make unit repairs or replacements under this warranty within a reasonable period, as determined by the Company or its Authorized Service Franchisee performing the said repair or replacement.
7. It is at the option of Company to remedy any defects by repairing or replacing the products of comparable value. However, this warranty shall not apply to the parts thereof. Under no circumstances shall claims for refund be accepted under this Warranty.
8. The Company will not be held responsible for any defects or damages that may be arising from transportation, or due to improper installation alteration, accidents, misuse, or lack of proper maintenance.
9. This warranty does not include payment of and responsibility for any duty, including GST and other central taxes, state taxes or other local taxes as assessed to the parts supplied or repaired during the warranty period.

10. The warranty period will start from the date of invoice and shall automatically stand terminated upon the expiry of the requisite warranty period even if the said product has not been installed after purchase or has not been in the use for any part or whole of the warranty period for any reason whatsoever.
11. The warranty period shall not start afresh after settlement of the claim.
12. In case of products which are discontinued by the Company and the product to be replaced due to agreed defects is still under warranty, the company will have the discretion to provide another product which is equivalent in terms of commercial value.
13. In the event of any repairs/replacement of any parts of the Product, this warranty shall thereafter continue and remain in force only for the unexpired period of the original warranty of the Product. Any time consumed for the repair/replacement of parts including transit of the Product or its parts or any period during which the Product has not been used whether under warranty or otherwise shall not be excluded from the warranty period and no extension of the warranty period will be granted.
14. This warranty is not valid or effective if the unit/Products are not installed according to the instruction manual or procedure laid down by the Company and the company shall not liable for any damage out of faulty installation.
15. Improper handling of the Products automatically terminates and nullifies this warranty. This warranty does not cover problems arising from insufficient water pressure, excessive water impurities/hardness beyond the norms of water as specified in this document or improper care and cleaning. Improper care and cleaning will void the warranty.
16. Company is not responsible for labour charges, installation or other incidental or consequential costs
17. The Company is not responsible for the cost of removal, return and/or reinstallation of the Product, except cases where Product replacement is established as necessary to resolve the complaint under warranty and carried out by company appointed technician. The company is also not liable to pay for any civil or construction work required during installation of new products or replacement / repairs of old products.
18. In the event of non-availability of product, components, or parts due to any reason whatsoever, neither Company nor its Authorized Service Franchisee or the Dealer will be held responsible or liable for any delay that may be caused to service/repair/replacement of the product. In the event of identical model or color/color combination is not available for replacement, the Company or its Authorized Service Franchisee or its dealer will replace the definitive / available Product, at its sole discretion, with an equivalent/identical model or color.
19. The company will, at its best endeavor, make an effort to carry out repairs at the earliest within responsible period. However, the company is under no obligation to do so in a specified period.
20. Warranty does not cover claims for damage caused to product(s) during transportation or installation
21. The company at its own discretion can decide to rectify the defect with or without replacement of the parts or product.
22. This warranty does not cover any accessories external to the product.
23. After completion of warranty period, in case any defect, standard part charges will be charged from customer as per prevailing rates of the company including of any applicable /incidental charges. This will be applicable even if the product is under warranty but is used in a way other than the specified conditions of usage in this document
24. The Company will not be held responsible or liable for any special, indirect or consequential damages due to the defective product, or due to defects of any component or part thereof. However, under any circumstance whatsoever the total liability of the Company shall not exceed to actual purchase price of the Product.
25. EXCLUSIONS: This warranty will cover only manufacturing defects as mentioned in this document and will not cover any other defects, damages or loss arising out of factors/circumstances out of control of the Company, including but not limited to:
  - Damages caused due to mishandling of the product, incorrect installation of product /spares/accessories or if installation is not as indicated in the user manual; product is not maintained as per recommended practices for care; maintenance/repair carried out by third parties other than authorized personnel; spare parts used are not of our make; connecting, bending, or damages to product during installation
