Why Germa?

1.Mirrors : Germa has maximum variants in mirrors too - Germa has mirrors catering all customers right from top notch framed styles (Acrylic frames , SS frames , Aluminum Frames , Glass Engraved Frames) - we make sure we give maximum choices to our customers - both with led and without led so it gets easy for all to select our products easily - now when it comes to led - we just don't give only led option - we give wave sensor option , motion sensor option , touch sensor option , few mirrors with Bluetooth and speakers , defogger and 3x zoom mirror for shaving options also available in few mirrors ... we make sure our Led strips are water proof - we always give 3 color option in same led mirror with dimmer installed for all mirrors for customers convenience to change brightness as per their requirement

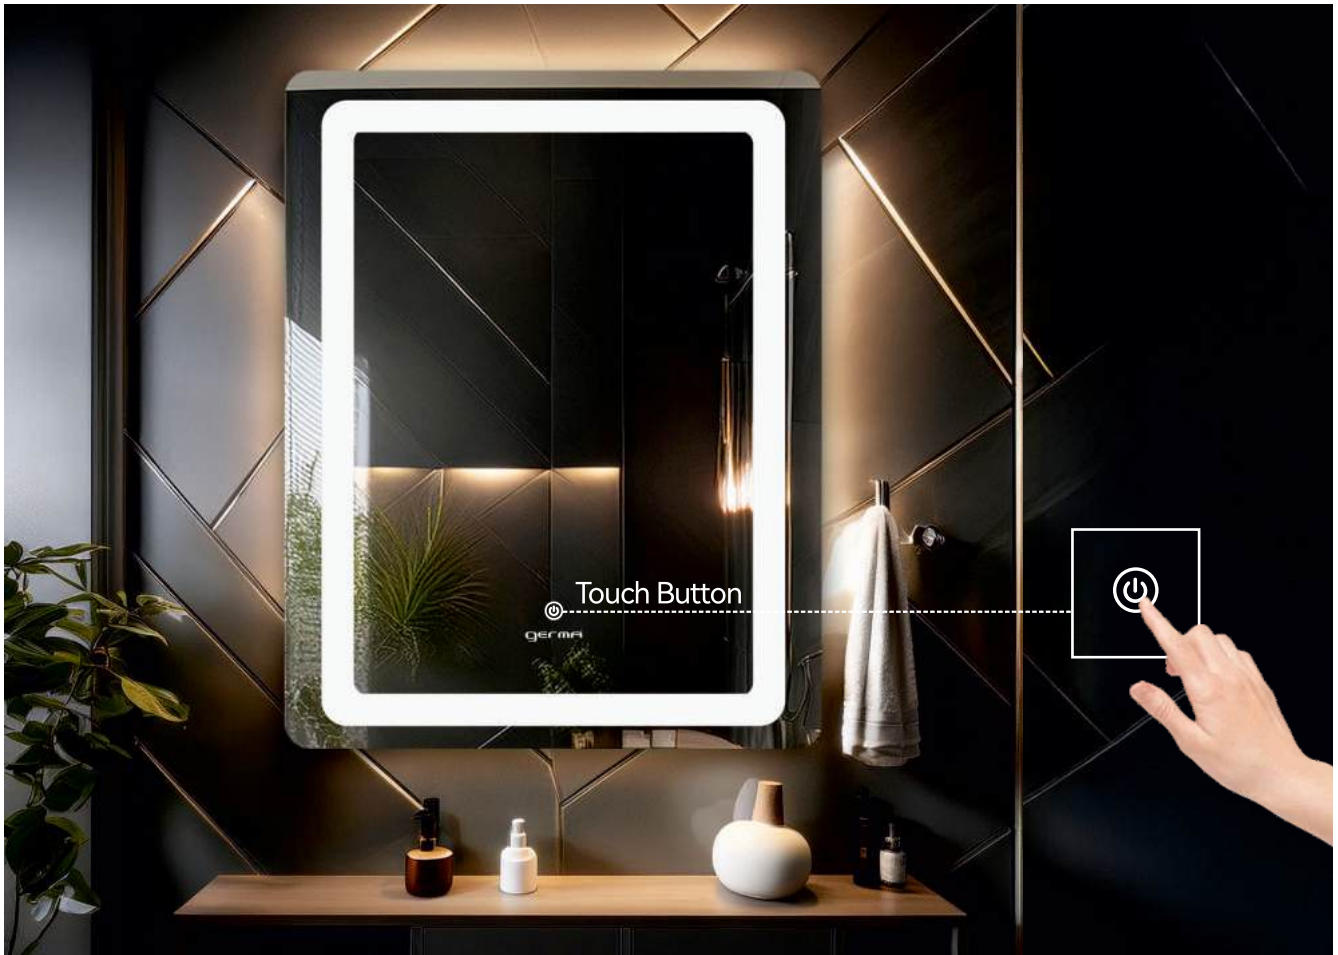

We also customize mirrors as per bathroom sizes - in all styles
