About Roca

Roca is a family-owned company dedicated to the design and production of solutions for the bathroom space. From our beginnings in Barcelona in 1917, we have grown into a global benchmark in sanitaryware. Roca is now one of the largest producers of bathroom products on the planet, operating 76 production facilities across five continents, employing over 21,000 people and serving over 170 markets.

170 Markets

Our designs are intuitive and intentional. Our philosophy is one of perpetual improvement, and we constantly seek to improve our product experience. Drawing on the knowledge and expertise of our global network, as well as over 100 years of experience in the sector, we develop innovative solutions that refine your bathroom while bringing comfort and simplicity to your daily routine.

Design is ingrained in everything we do. Our team of experts, often through collaborations with some of the world's leading designers, consistently create products and collections that drive innovation in the sector. These teams, along with our cutting-edge facilities, manufacturing prowess and exceptional

production capacity, have allowed us to maintain our position of global leadership for more than a century. Even while achieving a presence in over 170 markets across the world, we have remained close to our roots. From the beginning, we have been active participants in Barcelona's design culture, where forward-thinking ideas and vernacular styles go hand-in-hand to create natural, intuitive solutions that enhance daily living. We will continue both to draw from and contribute to this community.

We recognise that our position of global leadership comes with responsibility. We seek to set the standard in sustainability at every step of the manufacturing process: from the acquisition

of materials, through to production, logistics, packing and shipping. We design our products with sustainability and efficiency in mind, from toilets that minimise water consumption to furniture made with wood sourced from responsibly-managed forests.

We also carry out projects that help address some of the most pressing global challenges of our time. To this end, our foundation We Are Water works to promote a culture of sustainable, responsible water management, and to provide safe, reliable access to clean water in some of the most disadvantaged communities across the globe.

Our commitment to the planet extends into the social field. We are serious about our responsibility towards our employees and the communities we serve. Our aim of improving people's lives both

within and outside the company has led us to promote initiatives that foster talent and improve the customer experience. We organise design competitions, such as the jumpthegap® and the One Day Design Challenge, which provide opportunities for emerging designers to showcase their creativity and expand their professional networks. And through our six international Roca Galleries, and web platform rocagallery.com, we host events, talks and articles which foster dialogue around some of the planet's most important issues.

We celebrate the small, daily moments of domestic happiness. The bathroom is an intimate space of self-care which can enhance users' daily lives. At the heart of our business is the desire to develop attractive and functional solutions that contribute to improved wellbeing and better standards of living.

We make
people live
the best
bathroom
experience

A close-up, artistic photograph of a woman's face and shoulder. She is holding a thick, textured, light-colored towel or blanket against her face, with her eyes closed in a serene expression. The lighting is soft and warm, highlighting the texture of the towel and the contours of her face. She is wearing a white ribbed tank top.

PRICES AND PRODUCT SPECIFICATIONS

Prices shown are list prices and are subject to change without notice. Prices may also be changed without notice due to unforeseen cost increases of manufacturing products, imported products, raw materials, or currency fluctuations.

We carefully check pricing and product specifications, but occasionally errors can occur, therefore we reserve the right to change both without notice.

As part of its product development policy, Roca reserves the right to modify at any time and without prior notice, any of the models and elements described in this document; Roca therefore does not guarantee the availability of those products nor does it ensure that the specifications, colours, shapes and other reproduced features are identical to the real ones.

The displayed settings are merely decorative, and no technical requirements have been taken into consideration while composing them. Total or partial reproduction of the content of this publication without Roca's express authorization is prohibited.

For further details regarding its technical specifications and product measurements / dimensions, you can also visit our website www.roca.in

Roca Galleries Worldwide

More than just exhibition spaces, Roca Galleries are dynamic cultural hubs dedicated to fostering dialogue on a range of key topics, including architecture, design, innovation and sustainability. These versatile spaces play host to a variety of events, from thought-provoking exhibitions to engaging live talks and debates. They facilitate the exchange of innovative ideas while showcasing Roca's latest bathroom collections.

Strategically located in major cities around the world – including Barcelona, Madrid, Lisbon, London, Shanghai, Beijing, São Paulo, Zagreb, New Dheli and Sydney – each gallery is designed by a renowned architect. The galleries' unique architectural and interior designs reflect Roca's brand ethos while integrating the character of their location.

Roca Galleries in iconic cities across Europe.

Fostering dialogue between architecture, design, innovation and sustainability, Roca Galleries have become cultural benchmarks that connect professionals, emerging talents and design enthusiasts.

Roca Barcelona Gallery

This gallery, designed by Carles Ferrater of OAB Arquitectes, is characterised by its minimalist form and laminated glass façade. The design plays with light, appearing solid by day and liquid by night, creating an ever-changing interplay of transparency and reflection that invites curiosity and exploration.

Roca Madrid Gallery

Designed by Estudio de Arquitectura Lamela, the gallery in Madrid creates a seamless connection between people and water. The gallery's innovative design provides an immersive environment that encourages exploration and discovery, highlighting the vital role of water in society.

Roca London Gallery

Zaha Hadid's design for Roca London Gallery features fluid, organic forms that create an evolving experience of Roca's identity. Designed as a flexible space that seamlessly integrates different functions visitors are immersed in an active design centre where creativity and innovation are central.

Roca Lisboa Gallery

Located in an early 20th century building, the four floors of the Roca Lisboa Gallery feature an audiovisual projection that conveys the different sensations of water. Renovated by Ferruz Decoradores, the original architectural style of the palace has been maintained, preserving its personality while adapting it to the future.

And around the world.

Roca Beijing Gallery

Designed by Ma Yansong of MAD Architects, Roca Beijing Gallery is a forward-thinking spatial space that enriches Beijing's architectural and cultural landscape.

Located in the Dongzhimen district, the building features a striking glass façade with a double-height LED installation, creating an immersive visual experience.

Roca Shanghai Gallery

Roca's first gallery in China is located in an iconic glass building in Shanghai's exclusive Xuhui district. Designed by Francesc Rifé Studio, Roca Shanghai Gallery invites exploration during the day and transforms into a dynamic display at night, creating a continuous interaction between the building and the city.

Roca São Paulo Gallery

Roca São Paulo Gallery, with architectural design by Fernanda Marques and landscaping by Alex Hanazaki, has a uniquely fluid and contemporary atmosphere.

Reflecting the Brazilian identity through its façade, landscaping and furnishings, the gallery is a breath of fresh air on the city's busy Avenida Brasil.

Roca Delhi Gallery

Roca Delhi Gallery represents a cultural and architectural landmark. Designed by the Ultraconfidentiel studio, this four-storey space provides a dynamic environment for dialogue around design, architecture and sustainability. Located in a mixed-use building, it plays a key role in fostering the district's creative synergy.

Roca Zagreb Gallery

Located in a historic building in the heart of the Croatian capital, Roca Zagreb Gallery was developed as a new hub for inspiration and exchange. Designed by Snøhetta, the space is immersed in the city's creative pulse—just steps from the Faculty of Architecture and surrounded by a dynamic design community. It offers an immersive setting that bridges heritage, innovation and architectural culture.

Roca Sydney Gallery

Designed by DKO Architects, Roca Sydney Gallery is located in Australia's most iconic city. Spanning 700 square metres across two levels, the space stands out for its carefully crafted interior design, offering visitors an elevated experience. While discreet on the outside, the gallery houses meticulously designed environments that reflect Roca's ongoing commitment to design, innovation and purposeful storytelling.

Rocagallery.com

Complementing the network of galleries, rocagallery.com is an online platform with curated articles by more than 350 industry experts from around the world, discussing trends and future challenges in architecture, design, innovation and sustainability.

Our Planet Our Home

We are committed to putting people and the planet at the center of every decision we make. Because creating a sustainable future starts with the spaces we live in, and how we produce these spaces is key. That's why we craft products that bring comfort, beauty, and balance to your home, while protecting the planet every step of the way.

Every detail matters: from eco-designing products that last a lifetime to minimizing emissions, using clean energy, and reducing water and resource consumption. We believe that a home – whether our own or the planet we all share – should be a place of wellbeing, harmony, and care. This belief guides our comprehensive approach to sustainability, which involves taking a wide range of actions, such as reusing and recycling more, improving our processes, and ensuring access to water and sanitation for those who need it most, among many other initiatives.

EcoDesign	Responsible Production	Commitment to society
Eco-designing for efficiency and circularity: fostering products that are built to last, repairable, and recyclable. We create long-lasting products with easy-to-replace parts, ensuring extended usability and reducing waste. Our Life Cycle Assessments (LCA) and Environmental Product Declarations (EPD) provide transparency on our products' environmental footprint. We design products for easy disassembly and recyclability, such as 100% recyclable shower enclosures, fostering responsible waste management. Our innovative technologies reduce water and energy consumption, supporting sustainable building certifications such as LEED and BREEAM.	Preserving natural resources goes beyond using water efficiently. It begins with sustainable production. We are moving towards emission-free factories with pioneering technologies, including the world's first electric tunnel kiln for sanitary ceramics, aiming for net-zero emissions by 2045. We rely on renewable energy sources, including Power Purchase Agreements (PPAs) and on-site photovoltaic panels, to minimize our carbon footprint. Our water neutrality roadmap focuses on reducing, reusing, and recycling water to minimize freshwater consumption. We reintegrate manufacturing byproducts like chamotte and brass swarf into our production and promote waste reuse across industries to minimize landfill waste.	Enhancing people's lives and building a healthier, more inclusive, and sustainable future. We develop solutions for people with functional diversity, reduced mobility, and special needs to ensure comfort, independence and dignity. Our products and services are designed to promote wellbeing, self-care, and a healthier lifestyle. Through the We Are Water Foundation, we strive to improve access to clean water and sanitation for those in need. Through Roca Galleries, we promote global dialog that inspires sustainable design, architecture, and urban planning.

Roca India Warranty Policy

Dear Partner,

Thank you for choosing **Roca**.

We take pride in offering products that not only enhance your customer's bathroom experience but are also built to last. With over **100 years** of global expertise and presence in 170+ markets, **Roca** products are built to deliver reliable performance and long-term durability. We stand behind the quality of our products.

Roca products used in regular residential homes or commercial spaces are covered under warranty for the period mentioned in the warranty chart below. The warranty starts from the date the product is sold to the first customer.

This warranty covers any defects in manufacturing or materials during normal usage conditions. For any service or support, our channel partners or customers can reach out to the **Roca India** support team along with the purchase invoice.

For full details on warranty coverage and exclusions, please refer to the warranty terms shared with this communication.

Guidelines to Maintain Roca Products:

- Keep your product (especially Faucets & Showers) free from any deposits & clean it with water-soaked soft towels or non-acidic cleaning agents regularly to keep the plated surface clean.
 - Use a soft, dampened sponge or cloth to clean. Never use abrasive material like a bristle brush or scouring pad as they can scratch the finish and cause corrosion.
 - In hard water areas we strongly recommend that inhibitors or water softeners are fitted to the system to help prevent limescale attack.
 - Clean the aerators from time to time for a perfect foam flow of water from the fittings.
 - Do not force the operation of a soft-close seat.
 - Do not allow cleaners to sit or soak on the product.
 - It is recommended to use water filters with faucets to avoid any damage to ceramic cartridges/internal parts.
 - Do not use any kind of cement for sanitaryware installation, It is recommended to use Silicone Gel only.
 - Use a rubber washer between ceramic and metal parts for proper installation.
-

Warranty Terms & Conditions:

1. Roca offers ONSITE warranty on all the products as per warranty period.
2. Warranty will be applicable only if the products at all times have been used & maintained according to the terms of this warranty and has not been improperly or negligently handled and is not maintained in accordance to maintenance guidelines given.
3. The foregoing warranty constitutes Roca's sole warranty and Roca gives no warranty, express or implied, including warranties of fitness for a particular purpose and warranties of merchantability and there are no warranties which extend to use of the Roca's Products for the purposes beyond description and further Roca neither assumes nor makes nor authorizes any person to make representation that the product is of any particular quality or standard or is suitable for any particular purpose.
4. Warranty period will start from date of invoice & shall automatically terminate upon the expiry of the warranty period even if the product has not been installed or not in use after purchase.
5. During the warranty period and under normal use, if the defect is due to defects in material or workmanship, the same will be repaired or replaced upon production of the purchase proof, without charges either for part or labor or both, the decision of Roca official will be final for the fault that qualifies for warranty.
6. The original invoice must be preserved by the customer and produced whenever required.
7. This warranty does not cover installation or any other labour charges associated with the job work or re-installation of Roca products.
8. Customer's sole remedy for any defects in goods hereunder shall be limited to the repair or replacement at the Roca's option within warranty period after delivery of such goods to the first purchaser, of any defective goods, of which notice of defects is given by the customer to Roca in accordance with terms of this warranty certificate.
9. This warranty does not extend to incidental or consequential damages, losses or expenses arising out of ignorance, negligence, wilful damaging, damage in transit, mishandling, voltage fluctuations, electric faults, unauthorized alteration or repair and accidents either due to faulty installation or otherwise. This warranty does not cover consequential damage/defects of any nature resulting from improper selection/ improper installation and use of the product.
10. Roca, at its discretion, may retain any part or product replaced during the warranty period.
11. In the event of non-availability of components or parts due to any reason whatsoever neither Roca nor its Authorized Service Provider nor the Dealer will be responsible or liable for any delay that may be caused to service/repair of the Product, no claims financial or otherwise will be entertained. Roca or its service provider will replace the defective product with an equivalent model.
12. Roca will not be liable for any damages whatsoever arising out of inability to use its Roca products. The problems arising due to insufficient water pressure, water impurities or improper care and cleaning and voltage fluctuations.
13. Warranty will not be applicable if the damage to the appliance is caused by the use of incompatible or incorrectly installed external accessories.

14. Roca will not be responsible for any incidental, consequential or any other damage or cost or expense, including but not limited to loss of profit or removal, transportation, handling or re-fixing costs and expenses. Roca liability under any circumstances is maximum to the purchase value of the product, unless such shifting or transportation is done by the company itself subject to applicable conditions.
15. Roca shall not be liable to customer claiming the warranty under the terms of condition of this Limited Warranty for damages caused due to the Act of God or the public enemy, any accident, explosion, fire, storm, earthquake, electrical storms, tornado, flood, casualty, lockout, strike, labour conditions, unavoidable accident, nuclear explosion, national calamity, or any other circumstance or event or by any enactment of law, or by order of any legally constituted authority, or by any other similar cause which is beyond its reasonable control of the party.
16. The above warranties are inclusive of all other warranties and no other warranty, whether written or oral, expressed or implied is applicable to the sale or the use of the said product. Roca Bathroom Products Private Limited specifically disclaims any implied warranties or merchantability and fitness for the purpose other than the intended purpose regarding the said products.
17. The company or its Authorized customer care agents/Authorized dealer agents certified by the company will repair or replace with new or functionally operative parts free of charge, any part or parts of the product when it is identified that the defect is solely attributable to manufacturing fault or workmanship and not caused due to improper installation or usage. Spares shall be charged according to the conditions of the warranty coverage listed.
18. This warranty will continue to be in force for the terms specified above irrespective of what replacements may be provided under it and such replacements shall not attract any fresh period of warranty beyond the period specified above.
19. It is entirely left to the company's discretion to effect repairs/replacements of parts or components of the sealed system at the site of installation or at the service stations of its branches or Authorized Customer Care Centre or at its works.
20. This warranty shall be governed by laws of India and the courts in New Delhi. India and Nepal shall have exclusive jurisdiction to entertain any dispute regarding or arising out of this warranty or the sale of the product. This warranty is valid only in India and Nepal.
